Re: Freedom of Information Act (FOIA) Request Number
10-RIN-00047-93

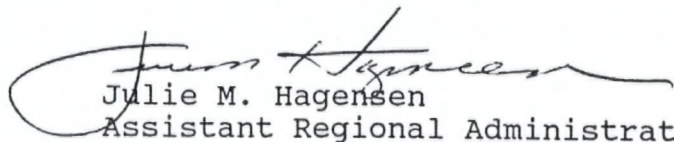

Dear Mr. Pepin:

This is in response to your January 11, 1993, request for information concerning the Pasco Sanitary Landfill.

In a January 14 telephone conversation with Bob Kievit, you were informed that the Landfill is being handled as a state-lead site pursuant to an EPA/Washington Department of Ecology agreement. As a result you indicated that it would be more appropriate to obtain your information directly from Ecology and that you wish to cancel your request to review the EPA files.

This concludes the EPA Region 10 response to FOIA request number 10-RIN-00047-93.

Sincerely,

Julie M. Hagensen
